

SSI Premium 12" Traffic Cones

SSI's Premium 12" Traffic Cones are constructed from high quality PVC materials, and have an interlocking base to prevent base separation.

Features and benefits:

- Low center of gravity for maximum stability, and are designed for easy stacking and unstacking requiring minimal storage space
- UV Stabilized to reduce fading
- Reinforced bead at the top to resist tearing
- PVC formulation for improved cold weather performance

Product Specifications:

- Material: Virgin PVC orange florescent
- 12" high, 2.5 lbs
